

POWERFUL TOOLS FOR GROWING YOUR BUSINESS

- Are you running your business based upon your checkbook balance?
- Do you know both your job/product costs and your operational overhead?
- What is your monthly break-even?
- Do you control your business or does your business control you?

These are just a few questions that the professionals at Oak Hill Business Partners can help you answer!

Expect success with step-by-step guidance:

- **Clarity** – clean books and an understanding of accounting principles set the stage
- **Effectiveness** – understand profit margins from each line of business
- **Effectiveness** – understand the effects of your operational overhead
- **Grow** – bring strategy in line with sales and marketing
- **Valuation** – implementation of scalability; your business works for you instead of you for it!
